Thanks for taking the time to read this message~

What's this situation?
Who are all these people?
Why did I have to get tied up?
I just wanted to run away from this forest.
This is really mountain after mountain of trouble. What should I do?
I don't know if you are stupid or arrogant.
I don't know how you came to be here, but you!
MISTY RAIN
Why did you get into the forest of Blue? Tell me honestly!
NO! I JUST LOST MY WAY!
Do you think I can be convinced by such a poor excuse?
He isn't listening to me at all!
What is that Forest of Blue anyway?
Even if I listen to you more, it will be a waste of time.
You should stop there, Shun! You don't have to scold her like that. She might be really lost? Right?
...This is really annoying.
WHAT KIND OF MAN BRINGS ANY YOU ANYWAY!
What I mean is... No, it's okay. Go away. I will ask her now.
WHAT ARE YOU GOING TO SAY?!
MISTY RAIN
Ah, it's nothing. Just trying to see what's going on now!
Now Shun, little lady... Are you lost?
Then, you don't know where this place is at all?
I don't think this is going to go well.

That is all kinds nervewracking.
I don't know other than this is the country of Sho...
Yes? Then, you really might not know what's going on.
Ah, you don't have to get nervous. We are not going to do anything.
Of course, that depends on your answer.
But you came from the forest of Blue, I think.
That is that, but more than anything.
Ah, that is because..
Purple eyes..
The blue clothes that you are wearing.
I think it's from a man who I know very well, so I'm curious.
I think he is easily everything inside me.
MISTY RAIN
That is simple.
I gave it to her because the clothes were mine. That's not what's important?
That person is?!
You ran away and you actually came to be here.
YOUR HIGHNESS!
Your Highness, who is she?
I just said it.
What you mean is that this child, is that person?
We don't know if she is the one or not, so we have to find out.
MISTY RAIN
It's annoying, so I'll explain the next sometime later.
YOUR HIGHNESS!
Come to think of it, you fell down.
No acc- no talking!! But, your highness?
Your highness. Then, is she going to the palace?
Yes, we are taking her to the palace.
THIS CHILD IS THE THIRD CANDIDATE FOR THE GOD PRIESTESS

Did you hear the rumor? There are three candidates now. This is really wild...
And, one of them was personally brought by the Emperor.

The atmosphere is bustling. Of course.
You lowland really... You are not reading your official uniform properly. Here, I'll put on your face. Did I teach you to do all this?
Hmph. Smile some more, Hwan.

I'm sorry. But, that is not what you, a teacher should be telling me.
You're arrogant. You never want to lose even a single word.

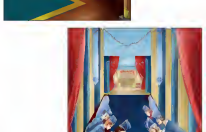
MISTY ROIN
But, you were in the village outside. Why did you come to the palace?

Don't ignore me because I am old.
Even though I'm outside in the village, I can hear things well. As I can see, it is worth my time to come all the way here.
Hm... Hwan.

What do you think? Could the rumor be real?
It can't be. But, why is my thinking so important?

You are really... I predicted it, but you are like a sword.

The emperor is here.



MISTY ROIN
...So.
There are three people. Right?
Yes, your highness. But, there are only be one god princess. What should we do?
IT'S SIMPLE.
There is only one god princess in the prophecy. That fact can't be changed, so we should do what we set out to do.
You mean...

You three people. First, you appeared from the lotus flower.
Yeon Cha. And second,
Seo Young, who declared herself as the god priestess in the god forest. And lastly,
Yeo Room Han, who appeared in the shrine.
Really?
You three are going to..
MISTY RAIN
You have to stay in the palace and prove that you are the god priestess. There will be an exam, of course.
He was really the shy, shy, shore in going to the exam.
If you can prove yourself clearly, then it doesn't matter what form it is. You only have to show it.
The person who proves it will be the god priestess,
but the people who haven't will be punished severely for being an impostor as a god priestess. You should know this well.
Your highness.
Why are you making things more complicated? If it is the god priestess, then she will have the power of water just like you.
She should show her power like that. You don't have to do all of this at all!
Advisor Yi Hwan is right in this case. You shouldn't give them time. They might be planning something right now.
MISTY RAIN
Do you really think so?
I am sorry.
But, I think it is the most effective way.
Yi Lapsuk hurriedly
But, it's your loss if you drag this on.
Then I can't believe it.
I know. But, I shouldn't decide things too quickly here.
I will assign one person to watch each one of them.

You can use this room from now on. It's already night, so you should go in and rest.

Then I'll leave now.

I haven't done a thing, and I'm tired.

Is that true? ..sigh.. I really feel shaken up. What should I do now....?

MISTY RAIN

That guy called Kyu Hyun. No, the king is nasty.

There is a lot going on, stuff like god-ghost-love-desire, I really feel tired.

Another world. I accepted the contract without thinking too much, but

I don't know. Did I do well?

Ah! Come to think of it! The necklace!

What! It's true.

There is really writings on it. This necklace is the proof of the contract.

The necklace that you treasure will be the token for our contract.

MISTY RAIN

And according to your contract, you are going to be there

and do everything that you can do by helping Kyu Hyun. And, I'll ask you again.

You should think well until then. There can be only one choice. The choice to make your wish come true.
